MILTON BICENTENNIAL COMMITTEE

The Town of Milton participated in the Celebration of the nation's 200th anniversary by forming a Bicentennial Committee. The committee met the criteria set by the American Revolution Bicentennial Commission and the town became a Bicentennial Community, receiving a Bicentennial Flag and a citation from President Ford.

The committee held monthly meetings throughout the year and the committee will remain active until August 1977 as required by Bicentennial Commission.

The highlight of the year was the Bicentennial Week Celebration in July beginning with church services at the Milton Town House. The activities during the week were, two parades, a Street Dance, Teen-Age Dance and Bicentennial Ball. Other activities included a Field Day, Band Concert, Banquet, Beauty Contest and Beard-growing Contest. There were bus tours of the historic places in town. Old photos of people and places in Milton were shown at the Town House and slides were shown.

The Heritage Committee compiled a history of the town and erected a monument at the graveside of Timothy Ricker a revolutionary soldier and a guard of Gen. Washington. Thirteen signs were erected at the sites of the original district schools.

The Milton Woman's Club awarded prizes to school students that participated in the Hydrant Painting Contest. Books were given to the children at the elementary school explaining our country's history. The Milton Men's Club installed a light in the area of the proposed Mini-Park. The light spotlights the waterfall at the dam.

Locally funds were made available at the Town Meeting. The greatest amount was raised by members of the Bicentennial Committee through fund-raising events and the sale of many commemorative items. Some of the souvenirs available were silver, pewter and bronze coins. Reproductions of Maps of Milton in the 1800's, commemorative plates showing Milton churches, schools and scenic spots. Books of the town's history were sold.

The Milton Militia was formed and represented Milton at the scroll presentation to the Valley Forge Wagon Train. The Militia unit was active at musters throughout the area.

At the present time it is expected that much of the memorabilia and historical artifacts collected during the Bicentennial Year will be turned over to the Milton Historical Society that is being organized.

The Bicentennial Committee are planning an event for 1977 to celebrate the town's 175th anniversary.

The Bicentennial Committee wishes to thank all persons who contributed many hours of labor in the committee's projects and to those who contributed financially. It was the combined, community spirit that made our Bicentennial Year a successful one.

MILTON FIRE DEPARTMENT

For the past six months, it has been my privilege to be the Fire Chief in the Town of Milton. As of the first of July, Chief Herbert Downs elected to resign this post after many years of dedicated service to this town. Therefore, I first and foremost would like to thank him for all his help and co-operation to the town, and especially to myself and the other members of the Fire Department.

The following is a list of calls made by the Milton Fire Department during the year 1976:

House Fires	1	Boat Fires	1
Car Fires	4	Trash Barrel	1
Woods Fires	1	Mutual Aid:	
Dump Fires	28	Rochester	2
Chimney Fires	4	Farmington	1
Grass Fires	2	House Fire	
Brush Fires		Lebanon, Me.	1
(no permit)	2	Outdoor Cooking	
False Alarms	2	(no permit)	<u>1</u>
Wash Down			
Gas Spill	2	TOTAL CALLS:	53

I wish to express my thanks to any and all who have assisted the Fire Department in any way during the past year.

Respectfully submitted,
JOHN L. GILMAN
Chief Engineer, M.F.D.

RURAL DISTRICT HEALTH COUNCIL ANNUAL REPORT 1976

The past year has seen an increase in services provided by the RDHC. As the federal government continues to shorten the length of time allowed the patient to stay in the hospital there is an increased need for health care in the home. The RDHC continues to qualify as a certified home health agency, implementing procedures to continue to provide quality care.

This is the third year the agency has supported the Referral Coordinator at Frisbie Memorial Hospital. Mrs. Marie Dexter, R.N. is seeing an increased need and receiving more referrals from doctors, nurses and families for home health care after hospital stay.

The Council continues to provide home health aide service through the contract of the Strafford County Home Health Aide Association. And also with the resignation of Joan Menez, to further her education, the Council hired two part time home health aides in order to cover the area more economically. Gail LaRosa who

covers the areas of Farmington, Milton, Middleton and New Durham, while Roberta LaFrenier covers the Northwood, Nottingham, Deerfield, Barrington and Strafford areas. This enables the Council to better utilize the professional staff while continuing to provide quality care.

The agency's priority is skilled nursing service, but the agency staff conducts adult screening clinics monthly in Northwood, Farmington and this past year started a program at the Milton Health Center with a case load of 221. With 38 cases referred for further treatment. This has proven to be a needed service.

The staff also participates in the after care program in cooperation with the Strafford Guidance Center and Seacoast Counseling Center. Twice a month the Strafford Guidance holds group counseling at the office, and because transportation is such a problem this has been a great help to the patients.

This year with the nationwide immunization program for the Swine flu the council organized two clinics regionally to cover it's member towns. This involved many hours of planning and organizing for the clinic manager, but both clinics were a great success, with 1,139 immunized at the Farmington clinic and 663 at the Northwood clinic.

The Maternal Child Health Program is a very active one providing physical examinations, immunizations and dental care for children 0-6 yrs. enrolled in the Well Child Clinics. The agency staff also provides home visiting to the patients of the Strafford County Prenatal and Family Planning, and the Exeter Area Family Planning program.

The strength of the Council lies in the efficiency and dedication of it's staff. With the resignation of Cynthia Blood, Myrtle Walsh and Lucy Myers within the year the Council has been very fortunate to add to their staff Mary Timmons, R.N. and Joann Pearson, R.N., B.S.N. Members of the professional staff are Mrs. Ardala Houle, R.N., Supervisor Director, Miss Arlene Thorne, R.N. Assist. supervisor and Maternal Child Health nurse, Mrs. Marie Dexter, R.N. Referral Coordinator, Mrs. Barbara Drew, R.N., Mrs. Mary Timmons, R.N., Mrs. Joann Pearson, R.N., B.S.N., Mrs. Kathleen Hansen RPT. The office duties are handled with ease by Mrs. Norma Davis and Mrs. Eleanor Eaton.

As a result of the inflationary times and increase in services provided, it has been necessary, therefore, to increase the per capita request from each town to \$1.35 to enable the Council to continue to provide these greatly needed services.

During the past year the Council has made 871 home visits and 115 Well Child visits with a grand total of 986 for the town of Milton.

Anyone interested in additional information is urged to contact the RDHC P.O. Box 563, 6 So. Main St. Farmington, N.H. Tel: 755-2989 between the hours of 8 A.M. and 4 P.M. Monday through Friday.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

AUDITOR'S CERTIFICATE

We have examined the books of the Town Treasurer, Tax Collector, Selectmen, Town Clerk, Trustees of Trust Funds, Ira S. Knox Fund, Revenue Sharing Account, Milton Mills Library, Milton Ambulance, and Water District. To the best of our knowledge we have found these accounts to be correct except for a few minor amounts for which proper corrections have been made.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the High School Auditorium in said district on the 5th day of March 1977, at 7:00 o'clock in the afternoon, to act upon the following subjects¹/₂

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
2. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
3. To choose agents and committees in relation to any subject embraced in this warrant.
4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
5. To see if the district will authorize the school board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forth-coming from the United States Government and/or state agencies.
6. To see if the District will vote to appropriate a sum of money not to exceed five thousand dollars (\$5,000.00) from the unencumbered balance at the end of the 1976-1977 fiscal year. Said sum of money is to establish a capital reserve fund in accordance with the provisions of R.S.A. 35 for the purpose of making major repairs, additions and alterations (to the roof, plumbing and heating system of the building and additions known as Nute High School).
7. To see if the District will vote to appropriate a sum of money not to exceed four thousand dollars (\$4,000.00) from the unencumbered balance at the end of the 1976-1977 fiscal year. Said sum of money is to establish a capital reserve fund in accordance with the provisions of R.S.A. 35 for the purpose of making major repairs, additions and alterations (to the roof, toilets and plumbing at the building known as Milton Elementary School).
8. To see if the district wishes to exclude from its Social Security

plan services performed by election officials or election workers for each calendar quarter in which the remuneration paid for such services is less than \$50.00.

9. To see if the district will vote to raise and appropriate in addition to the original appropriation for 1976-1977, a sum of \$13,000.00 to be made available to the School District prior to July 1, 1977 in order to meet unanticipated obligations caused by the necessity of re-roofing the Nute High School gym.

10. To see if the district will vote to raise and appropriate in addition to the original appropriation for 1976-77 a sum of \$5,500.00 to pay Social Security tax and interest not paid in 1974, 1975, and 1976.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Milton this 9th day of February 1977.

REPORT OF THE SUPERINTENDENT AND ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Milton School District:

Enrollment in the Milton Schools as of September 20, 1976, was as indicated below.

Grade	1	2	3	4	5	6	7	8	9	10	11	12	Total
Milton Mills School	19	18	30										67
Grammar School	15	20	26	33	45	39							178
Nute High School							50	53	62	47	42	49	303
Totals	34	38	56	33	45	39	50	53	62	47	42	49	548

The Milton School District is also responsible for the education of five handicapped children currently assigned to the Great Bay School and Training Center in Newington, New Hampshire and twelve pupils who are enrolled in the Somersworth Vocational High School. These pupils raise the total number of children being educated by the School District to 565.

The replacement of members of the teaching staff in the Milton Schools was as listed below.

<u>Replacement</u>	<u>Replaced</u>	<u>Grade or Subject</u>
Mrs. M. Louise Carter	Additional	Music, Part Time
Miss Cynthia Wheelock	Miss Susan Bandman	English
Mr. Leonard Jocys	Mr. W. Frank Faron	Science
Mr. Richard Schwertner	Mr. Robert A. Riffi	English
Miss Deborah Blackford	Additional	Art/Science
Mr. Richard Nelson	Mrs. Diane Monti	Title 1
Miss Patricia Blaisdell	Miss Gail Gage	Title 1 Aide

As has been observed in previous reports by my predecessor, Mr. Morgan, Nute High School is in dire need of additional classroom space. Present conditions limit both the expansion of the curriculum as well as the effective utilization of the faculty. It is the recommendation of this writer that the District establish a study committee to examine the situation and report back to the 1978 District Meeting.

One of the most far-reaching laws to be passed in recent years in terms of the impact it will have on local school district budgets is P.L. 94-142. This Federal law requires that each school district will file an individual plan denoting how handicapped children will be educated, either within or on a tuition basis outside of the district. In addition, the district will be responsible for the submission of an individual pupil plan which will specify the educational program for each child. P.L. 94-142, in conjunction with RSA 188 has important implications for school districts across the state. It will soon become appropriate for the school district to establish a comprehensive educational program for handicapped children within the Milton School system.

It should be noted that while this year was the first in which the new negotiations law (RSA 273-A) was in effect in Milton, the actual negotiating process between the Board and teachers progressed smoothly. This law which makes it mandatory for the School Board to negotiate conditions of employment with representatives of the teachers has caused much consternation in many New Hampshire communities. Milton has avoided the pitfalls of the new law due to the reasonable attitudes demonstrated by both the Board and the teachers. Such a cooperative relationship between the School Board administration and teachers is essential if a school system is to take full advantage of the resources made available to it by the community.

In summary, We wish to express our appreciation to the members of the School Board, the teachers, pupils and citizens for the cooperation exhibited during the past year. We look forward to a long and productive relationship in which our mutual goal will continue to be the best possible education for our young people.

Respectfully submitted,

BARRY L. CLOUGH

PRINCIPAL'S REPORT

Milton and Milton Mills Elementary Schools

I am happy to report this year the return of all of our full-time elementary staff.

We have again received a grant from Title I for our Primary Education Program. The \$16,700 allocated is spent for a Title I teacher and 2 Language Development Specialists. The services from this project are geared for children in grades 1 through 3 and are shared equally with Wakefield.

Title I (Manpower Act) has again funded a teachers' aide for the Milton Elementary Schools.

Mrs. Louise Carter is the part-time music teacher for the Milton Elementary School, while Mrs. Hodgdon is again directing the music program at Milton Mills one day per week.

This year I am teaching Economics to the 5th and 6th grade classes for 1 period per week. This is an academic subject recommended by the State Dept. of Education to be taught in the elementary grades.

Mrs. Paige, the School Nurse, has begun teaching a general first aid and health course to the elementary students.

I would like to close by acknowledging the parents who have attended our parents' nights, music concerts, science and math fairs and other programs. Both the students and staff thank you for the time you have given and your appreciation of their efforts.

Respectfully submitted,

JOHN BUCKLEY

PRINCIPAL'S REPORT NUTE HIGH SCHOOL

As this report is written, we have 306 students attending Nute High School. There are four new teachers on board, and they are as follows: Mr. Leonard Jocys, Science; Miss Deborah Bickford, Art & Science; Miss Cynthia Wheelock and Mr. Richard Schwertner, English.

Our teacher aid program is continuing. In addition to covering Study Halls, our teachers aides are assisting Mrs. Mary Jane Boggs with a group of Junior High youngsters in need of individual attention in the area of reading. Mrs. Boggs is to be commended for the time and effort she has put into organizing and directing the reading program.

This year we are sending 17 students to the Somersworth Vocational Program. They are enrolled in four different areas: Building Trades, Auto Mechanics, Child Care and Media Communications.

Nute is a member of the newly formed Southeastern "M" Art Educators League, the purpose of which is a unique year-long experiment of cooperative sharing of Art programs and ideas. With the cooperation of the UNH Art Education Department and the University galleries, activities all relating to the theme of landscape will take place. These activities include a slide show rotated among member schools, a "traveling Art show" of works by Art teachers, and a student Art show at the New England Center on the UNH campus where the works of teachers and students will be on exhibit from May 9-23, 1977. Miss Bickford, of course, is our representative to this task.

The staff is making a continued attempt at coordinating the curriculum. Much has been done in the subject areas of English and Math, grade 12. This year the focus is on coordinating the science and social studies curricula. Next year we are adding to the curriculum a course in Health Education at the Junior High level. It will be offered in conjunction with the Physical Education program, and be administered by our school nurse, Mrs. Joan Paige.

I would like to take this opportunity to express my thanks to the School Board members, faculty, parents, and students of Nute for their friendly cooperation, and in particular to Mrs. Barbara Hall, without whom my first year at Milton would not have been nearly the rewarding experience it has been.

Respectfully submitted,

CHARLES A. CANGE,
Principal Nute High School

REPORT OF THE SCHOOL NURSE

Milton School Health Report 1975-1976

The school year started out with a series of various health screenings including heights, weights, hearing, and vision. Parents were notified if any problems were detected.

During the school year the 4th, 7th, and 10th grades, as well as all students participating in school sports, had physicals by our School Doctor - Dr. Lord. Whenever an abnormal condition is found, the parents are notified and advised to consult a Physician of their choice. Any student who wishes to go to their own Doctor for such physicals may do so.

We were again fortunate to be able to have the School Dental Clinic. Each child participating received dental cleaning, examination, and a topical fluoride treatment by a Dental Hygienist. All children in grades 1-6 were offered this service and the participation was excellent. The students also receive instructions on proper brushing, good dental hygiene and the importance of good nutrition is reinforced. Also, as part of our school dental program, all first graders are supplied with toothbrushes and paste and are supervised after lunch on brushing their teeth.

Thanks go to the Community Men of Milton and the Nute Trust Fund for their generous contributions which enabled us to participate in the State Dental Matching Fund Program. Many children were able to receive follow-up care by a dentist which otherwise might have been impossible.

Pre-school registration was held in May in Milton. All children were given a series of tests and vision screening when indicated. Due to the yearly pre-school vision and hearing screening, many problems are detected and corrected before a child enters school.

A clinic was held at school in the spring offering all students in grades 9, 11, and 12 a Diphtheria-Tetanus Booster!

We are trying to provide all students with more health education. This includes films, speakers, etc. on smoking, alcohol, nutrition, hygiene, venereal diseases, drugs, and first aid.

I wish to extend my thanks to everyone for their co-operation and help during the past year.

Respectfully submitted,

JOAN PAIGE, R.N.
School Nurse
